

## What We Do

At the Plymouth Corps, we have a full time Social Services representative who helps hundreds of individuals and families each year.

### We also provide:

- Emergency Disaster Services
- Food Pantry Assistance
- Day Camp Scholarships
- Tae Kwon Do sponsorships
- Vouchers for clothing from our thrift stores
- Santa's Toy Shop (including delivery) at Christmas time

We firmly believe in counseling of the “whole person.” The people at the Plymouth corps are open, friendly, and accepting of all who come through its doors.

Do you need help?

Wherever there are  
people in need...

We are there.

You can be, too.

## Who We Are

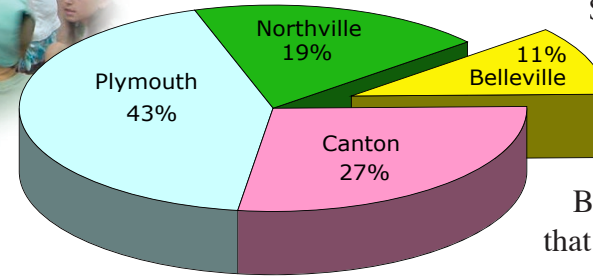

**The Salvation Army** is an international evangelical ministry serving Western Wayne County. The Salvation Army provides direct assistance to people in need throughout Belleville, Canton, Plymouth, Northville, Van Buren and Sumpter townships.

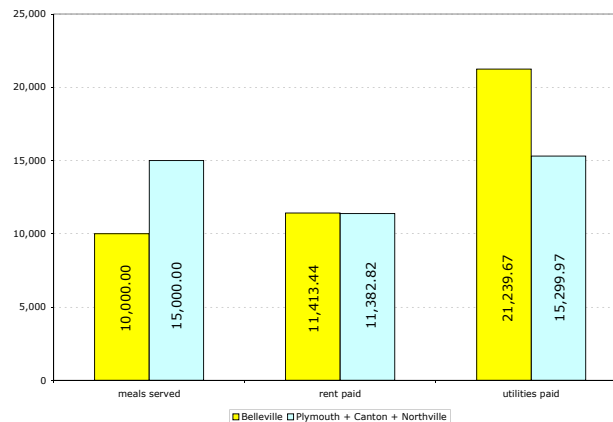

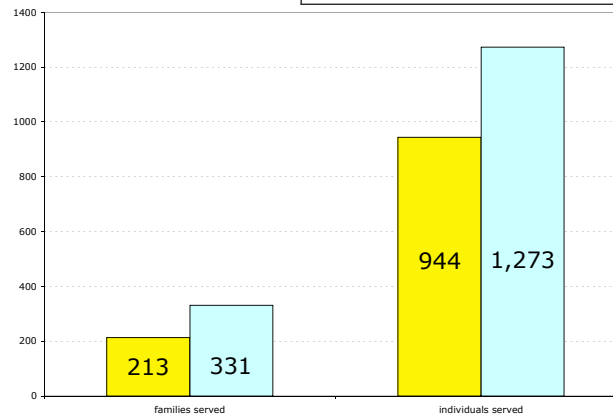

Besides our “social service” programs, a community center with gym and room rentals, we have always been a church. Our vision is to engage our culture through wholehearted service in the name of Jesus Christ.

Worship and service go hand in hand in all the activities of the Salvation Army here at Plymouth. It is our ongoing relationship with God and deep love for Jesus Christ that strengthens us for the tasks we undertake in serving others.

## What We Do

Belleville receives 50% of our services.  
Belleville = Canton + Plymouth + Northville.

## How You Can Help

While half the services we provide go to Belleville, we only receive 11% of our financial support from Belleville. That's \$14,000 of the \$130,000 we raised in our 2002 Kettle campaign. We are asking for your help to increase our resources.

By far, the largest fund raising effort that the Salvation Army undertakes is the Annual Red Kettle Campaign. This funds the majority of our programs for the year.

### There are three ways you can help:

You or your group may ring bells at any of our 23 locations throughout Belleville, Northville, Canton and Plymouth. Businesses can sign up for an entire day, rotating employees in shifts.

New this year is our “Sponsor A Kettle For A Day” option. A \$100 donation will put your companies name on a kettle at the location of your choice for an entire day. This is a great way to showcase your organizations support for the community. We supply the volunteers.

Allow The Salvation Army to place a “counter kettle” near a cash register or front counter in your establishment. These kettles require no upkeep on your part but will be maintained weekly by our staff members.
