To whom it may concern:

I have worked with Jay Sprout on various occasions over the last 6 years. Jay is always a pleasure to work with. He has great attention to detail and isn't shy about putting forth the effort it takes to produce high quality deliverables. His patience and humor are only a few of the qualities that make Jay an amazing human being. He always strived to ensure the product(s) he produced met or exceeded expectations. He has a wealth of knowledge and would be a tremendous asset to any company that has the pleasure of working with him.

Sincerely,
