

Ultimate Supreme

- 1** Check for proper bake characteristics before removing the pizza from the oven. Additional bake time may be required for multi-toppings.

- 2** Place corrugated liner into box slightly above where pizza will rest, leaving room to cut. Place pizza onto center of corrugated liner.

Cut 5 times for 10 equal slices.

- 3** Slide pizza and liner into place and insert tri-stand into center of pizza.

- 4** Gently center heat sheet over top of pizza. Close box and mark the expiration time and "US" for Ultimate Supreme.

- 5** Place onto/in heat retention/Cres Cor unit for **maximum of 30 minutes**.

Maximum holding time is 30 minutes.
